THE MAGNET

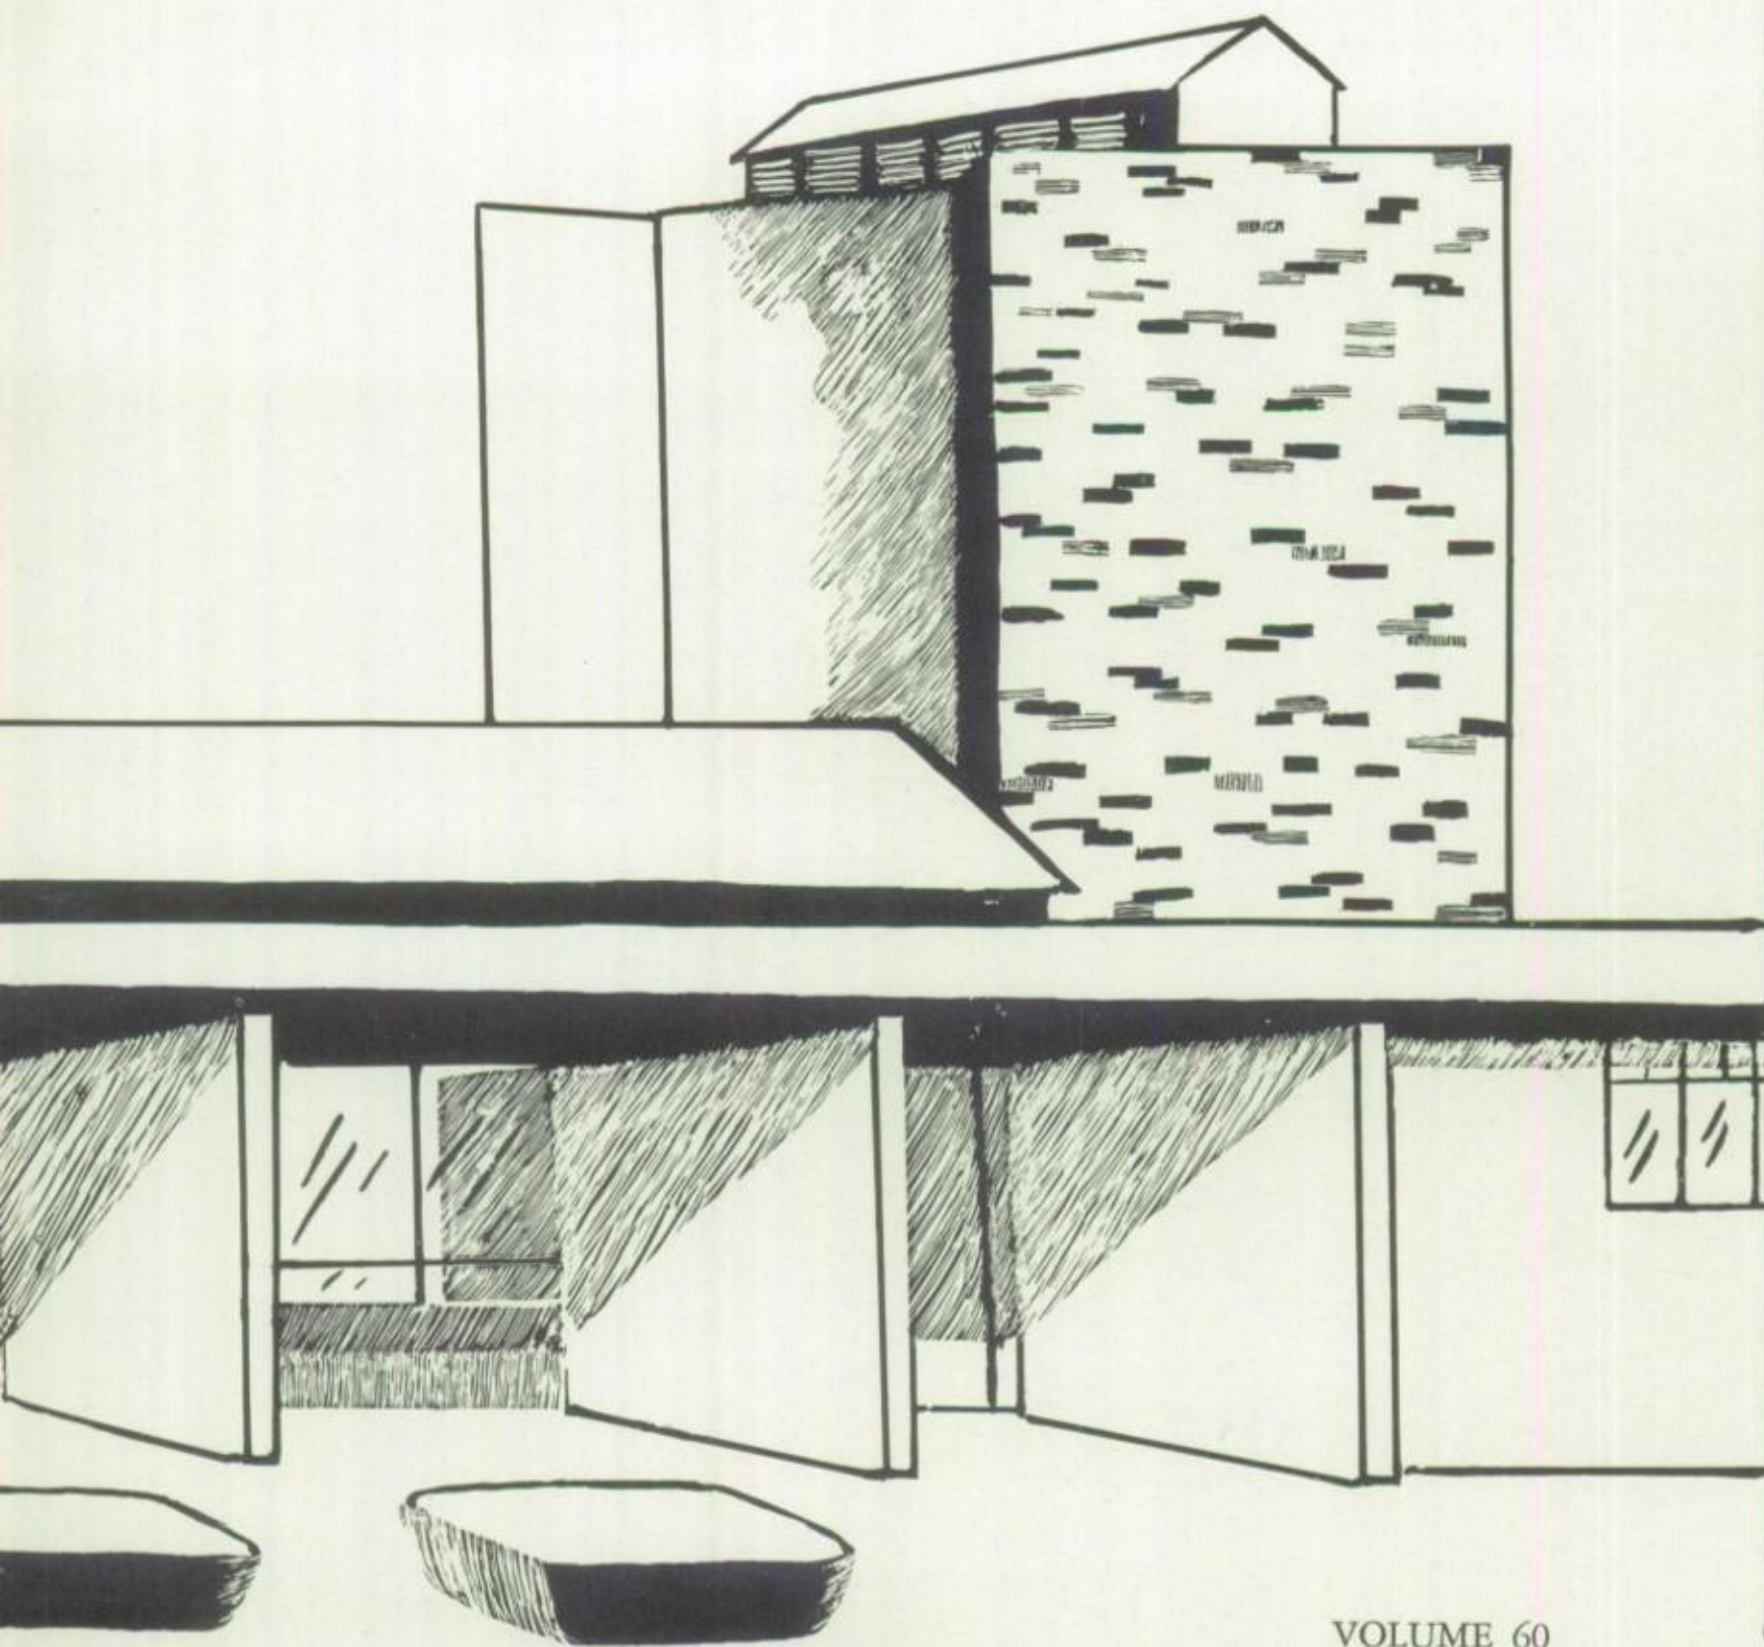

1961

Beginning this year the young people of Butler area were given the opportunity to attend one of the finest high schools in our country. Covering an area of ninety-two acres, our campus type plant gives the true impression of spaciousness and beauty, while offering exceptional educational facilities.

Improved laboratories — for science, speech, and music — a large library, an enormous gymnasium and swimming pool, and numerous shop buildings have all helped to make learning an easier and more pleasant process.

With our improved facilities, the school spirit has also risen to a new peak, and the students take great pride in building a finer school reputation than ever before.

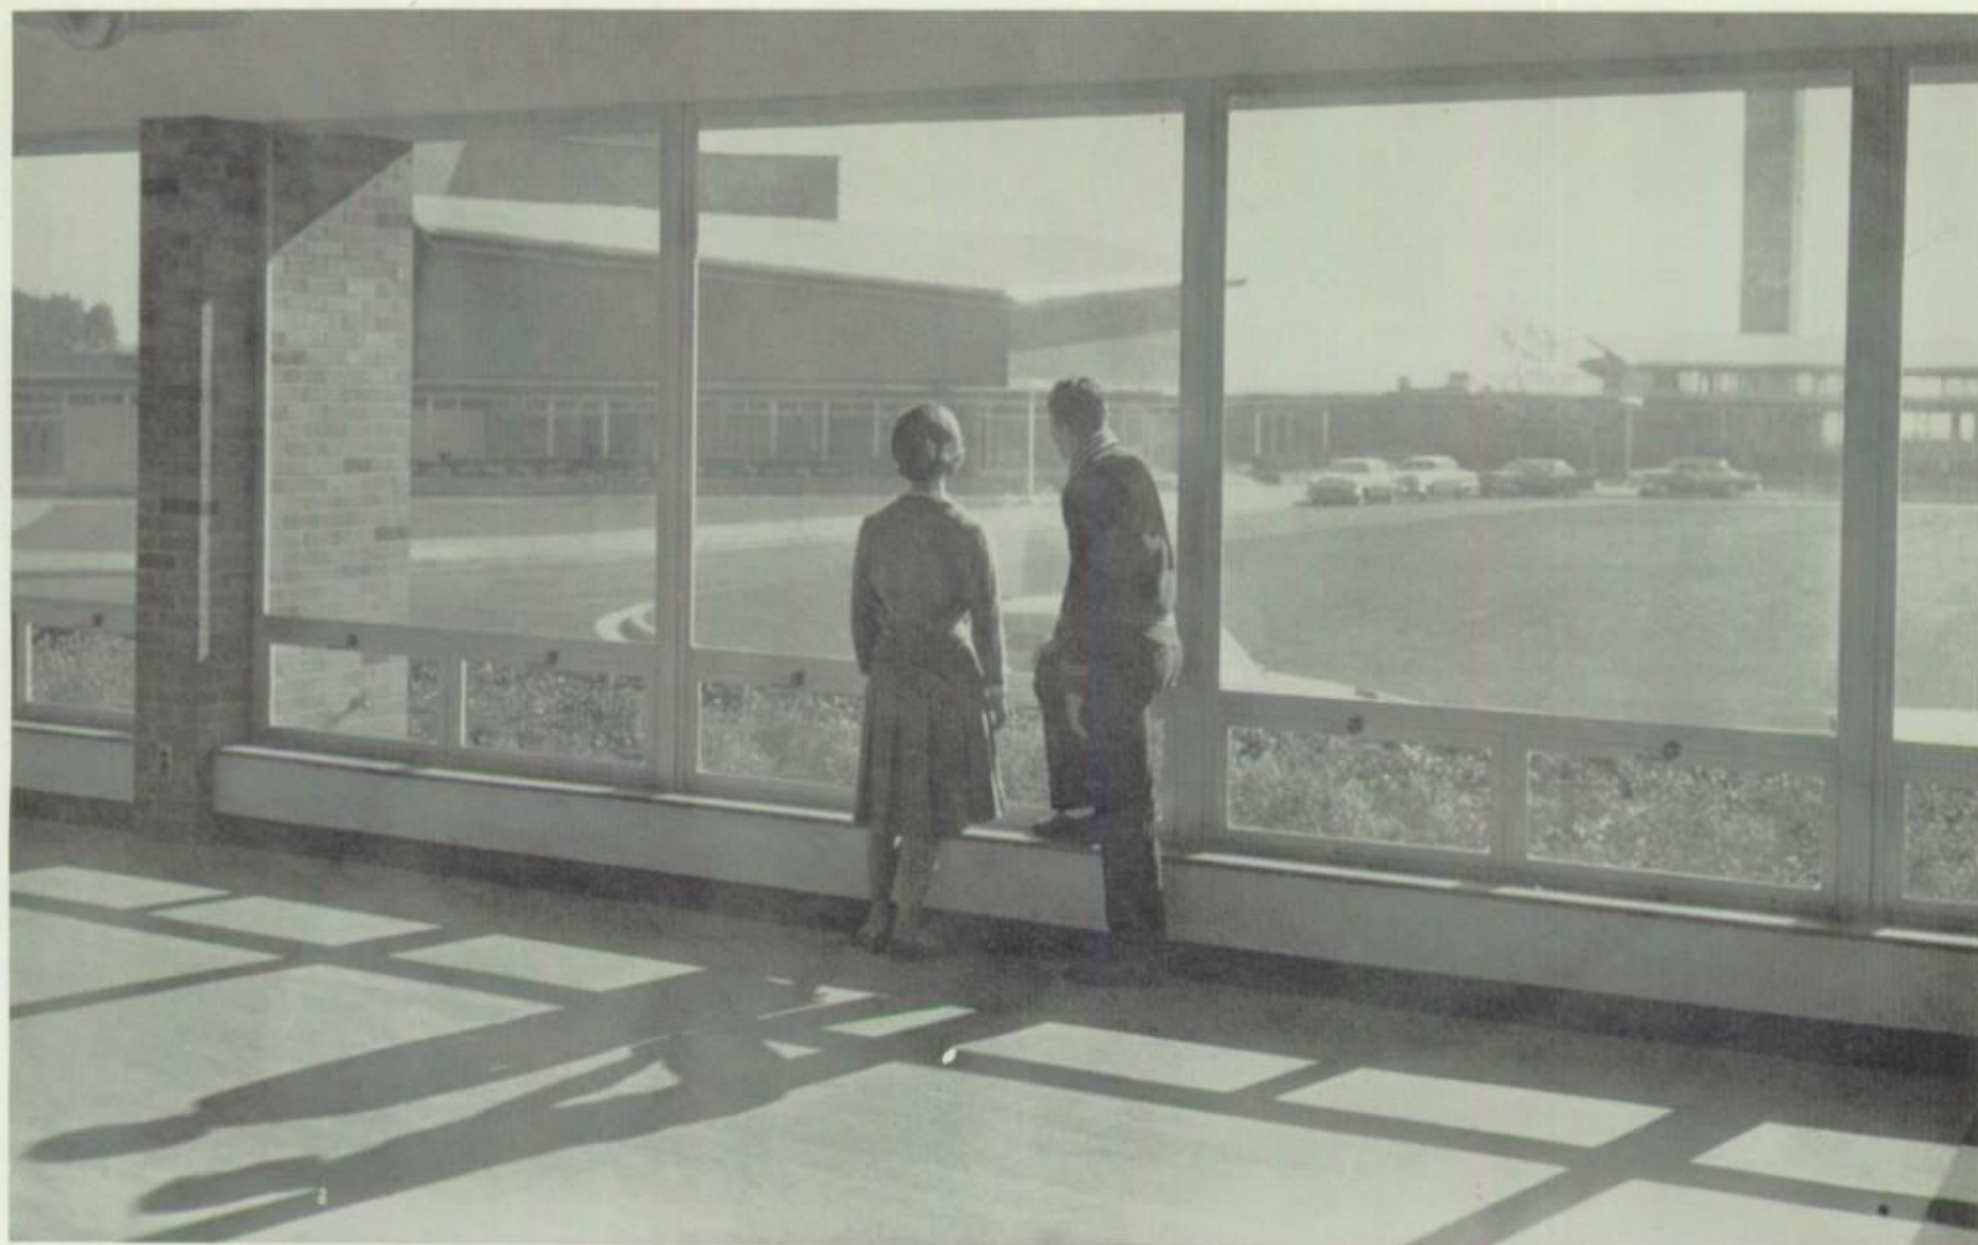

The Magnet Staff hopes that familiar scenes will be recalled as you follow two students on a tour of our campus.

TO SEE THE ARCHITECTURAL BEAUTY OF OUR SCHOOL, LET'S FOLLOW THESE STUDENTS AS THEY TAKE A TOUR. THE GYM LOOKS QUIET NOW, BUT WAIT TILL BASKETBALL SEASON!

MOVING ALONG, IT PAYS TO GLANCE BACK AND TAKE IN NEW AND BEAUTIFUL VIEWS OF OUR BUILDINGS. THE OLYMPICS COULD BE HELD IN OUR POOL WITH NO MODIFICATIONS.

WHETHER YOU TAKE A LONG OR SHORT VIEW OF THIS SCENE, IT STILL HAS A CHEERY ATMOSPHERE, ALTHOUGH IT GETS LESS ROMANTIC AS YOU GET FURTHER AWAY.

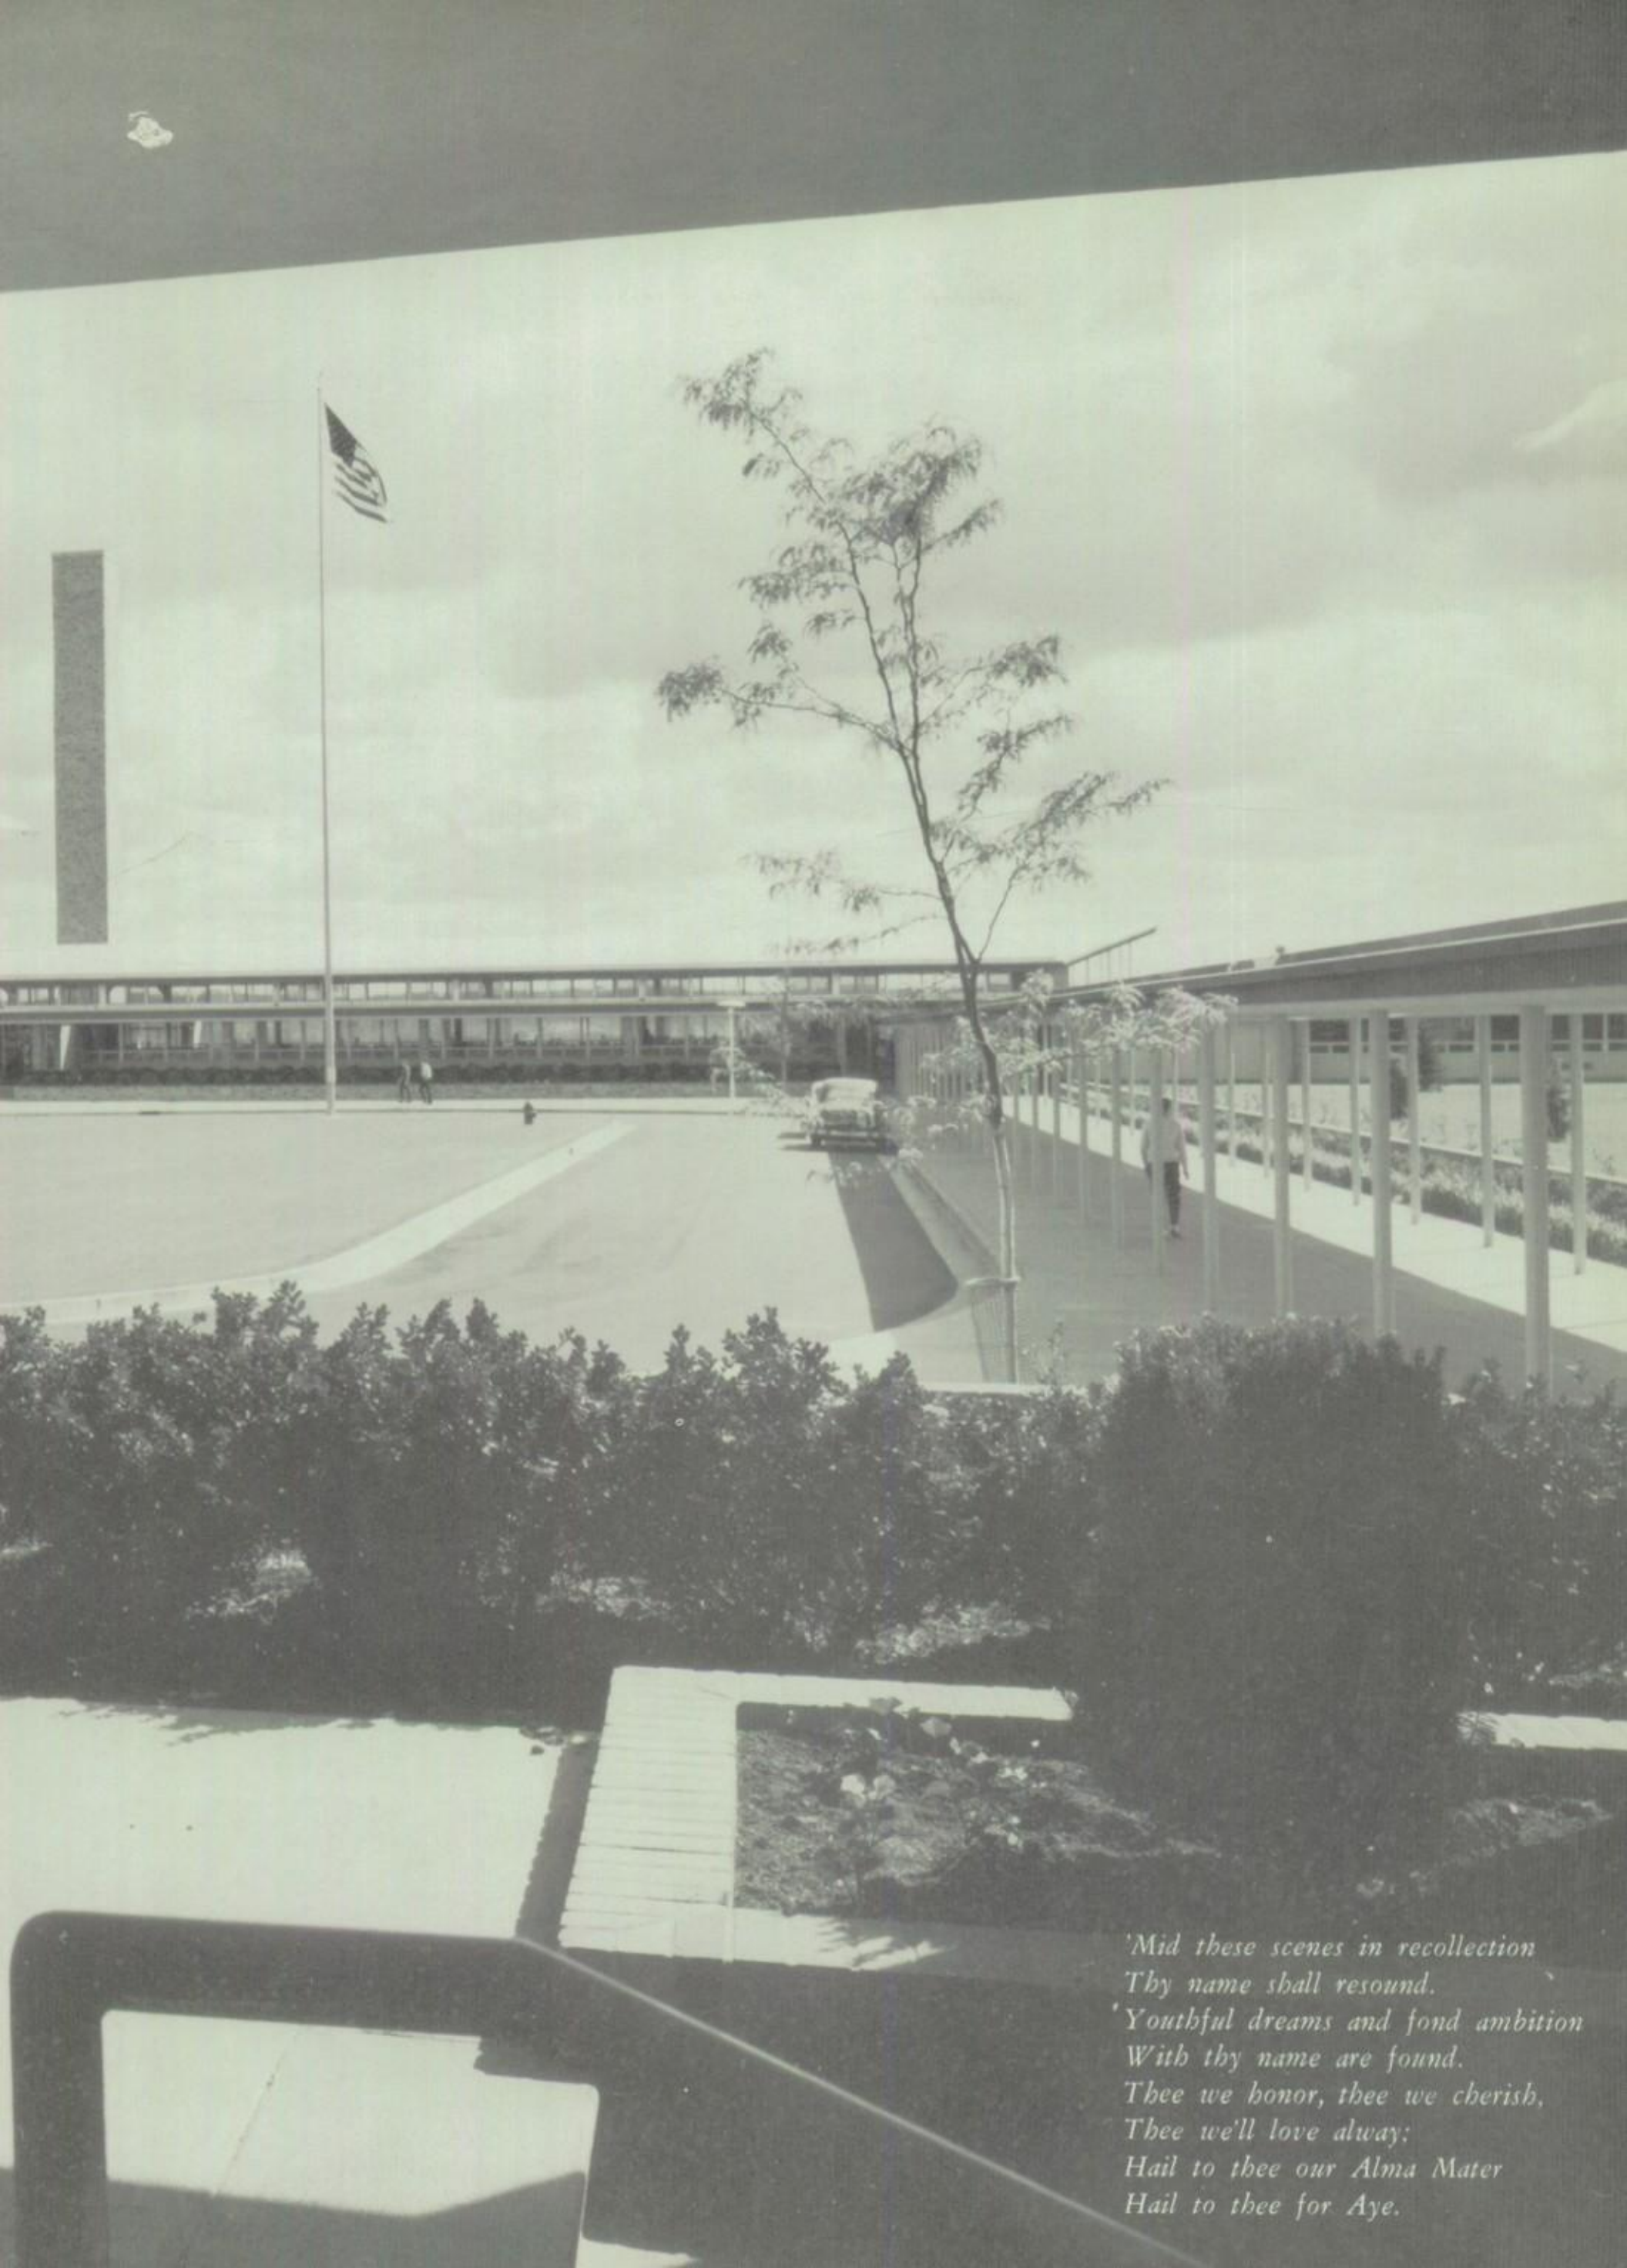

BIGGER AND BETTER THAN EVER IS THE BEST WAY TO DESCRIBE OUR MANY SHOPS THIS YEAR. BELOW, YOU SEE THE TWO-STORY EFFECT OF AN ACADEMIC WING.

'Mid these scenes in recollection
Thy name shall resound.
' Youthful dreams and fond ambition
With thy name are found.
Thee we honor, thee we cherish,
Thee we'll love alway:
Hail to thee our Alma Mater
Hail to thee for Aye.

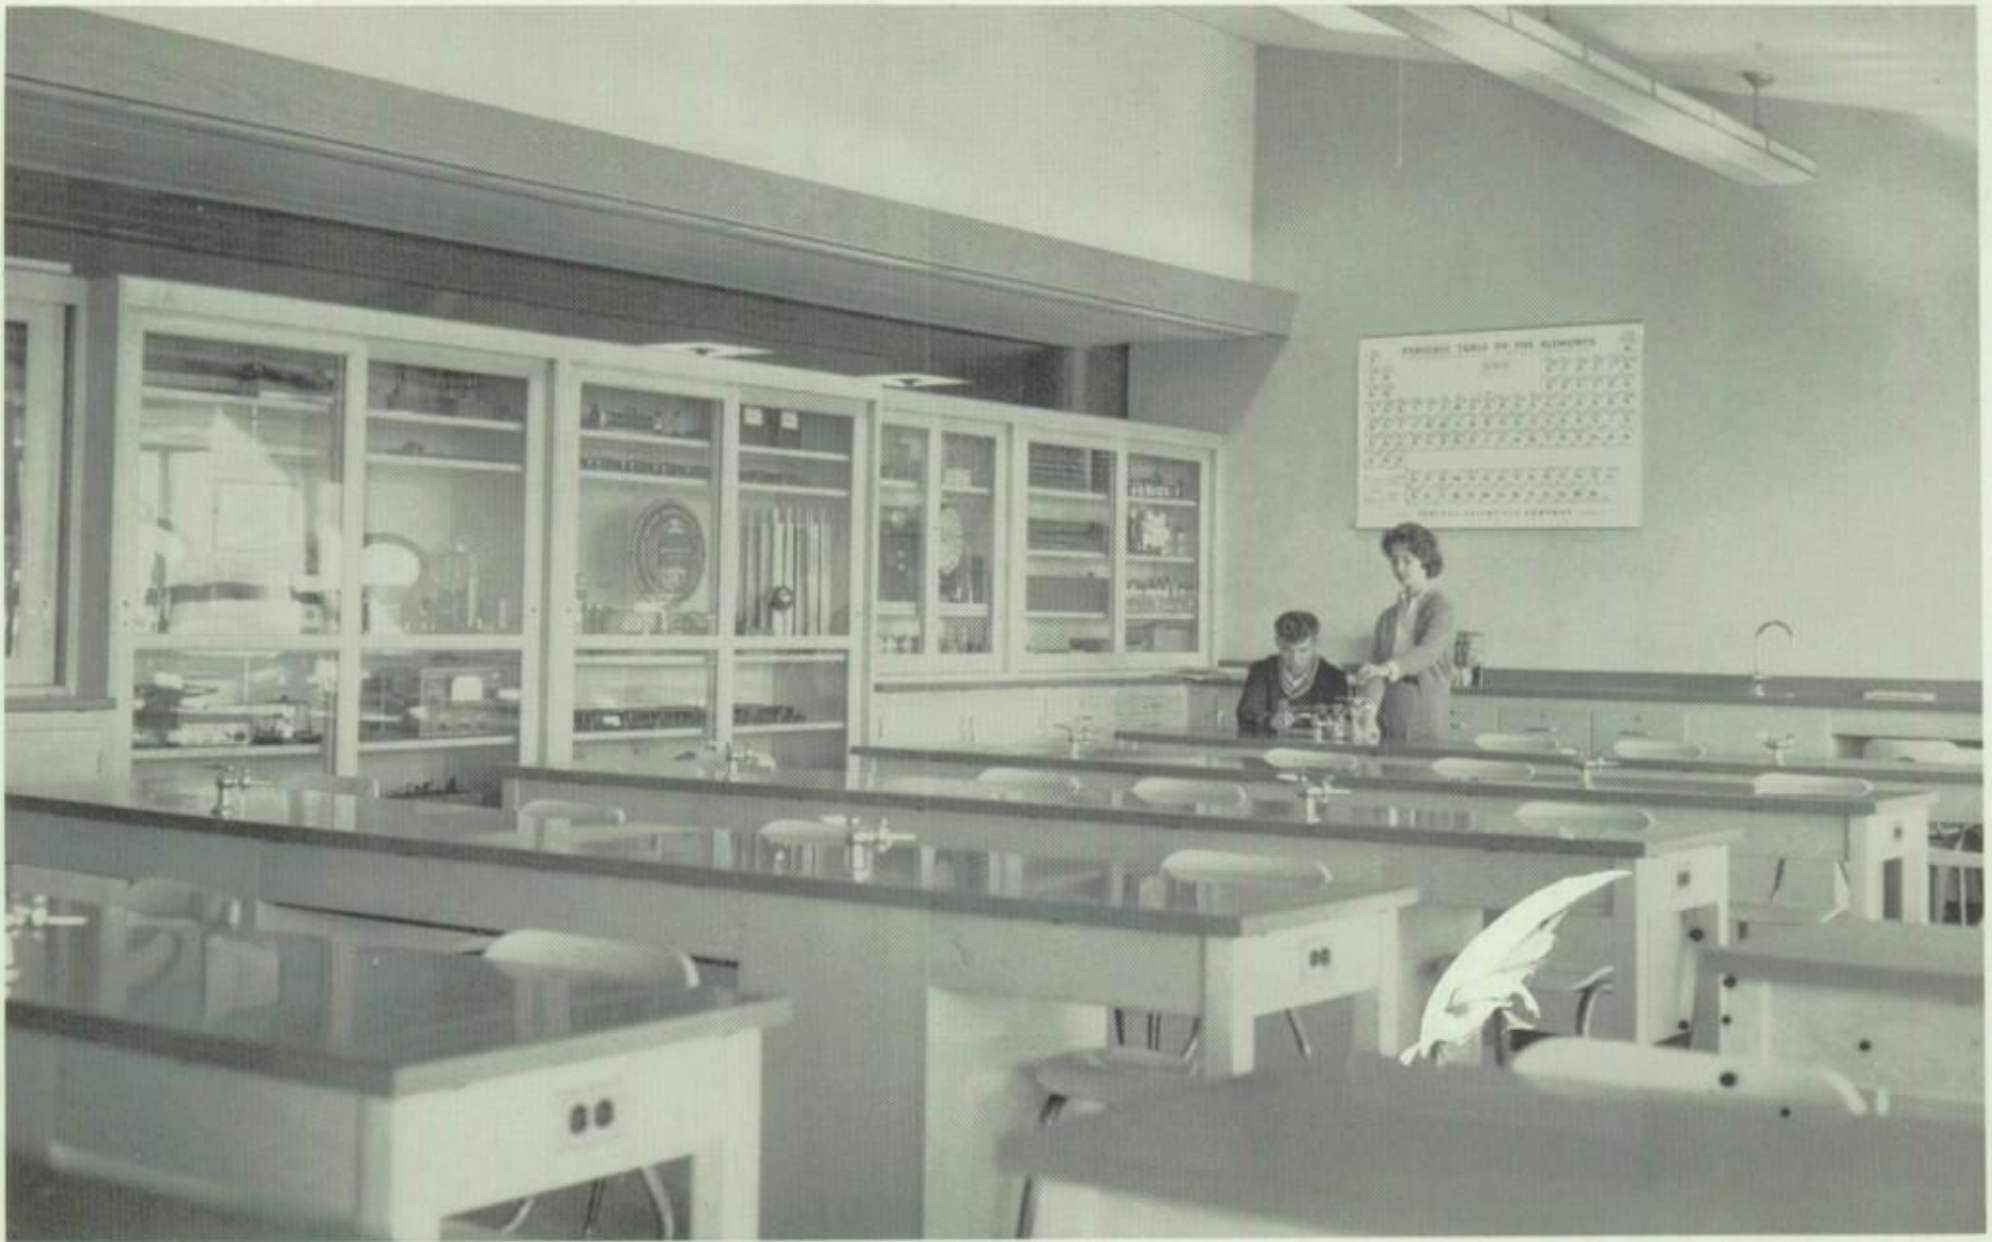

THE ABUNDANCE OF BULLETIN BOARD SPACE MAKES FOR INTERESTING AND WELL-DECORATED CLASSROOMS. FROM THE WINDOWS ONE GETS A VERY BEAUTIFUL VIEW OF THE COURT.

WALKING THROUGH INCLINED HALLS AND BEING ABLE TO LOOK AT
THE FRESH OUT-OF-DOORS RESTS THE MIND, AND THE SCARCITY OF
STAIRWAYS SAVES OUR LEGS.

STUDENTS CAN TAKE AN ACTIVE PART IN PHYSICS EXPERIMENTS SINCE WE HAVE A WELL-EQUIPPED LAB. HOMEROOMS ARE NEAT BECAUSE BOOKS ARE KEPT IN LOCKERS.

HERE OUR TOURISTS SEE THE BEAUTY OF OUR INNER COURT WHERE STUDENTS MAY STOP FOR A MOMENT OF REST. INTERESTING CLASS-ROOMS MAKE LEARNING EASIER.

"TIS DEEP AS A WELL AND WIDE AS A CHURCH DOOR," AND IT DOES SERVE. TRAFFIC JAMS SELDOM OCCUR. OUR LIBRARY ALSO SERVES WELL; IT'S WELL-STOCKED WITH BOOKS.

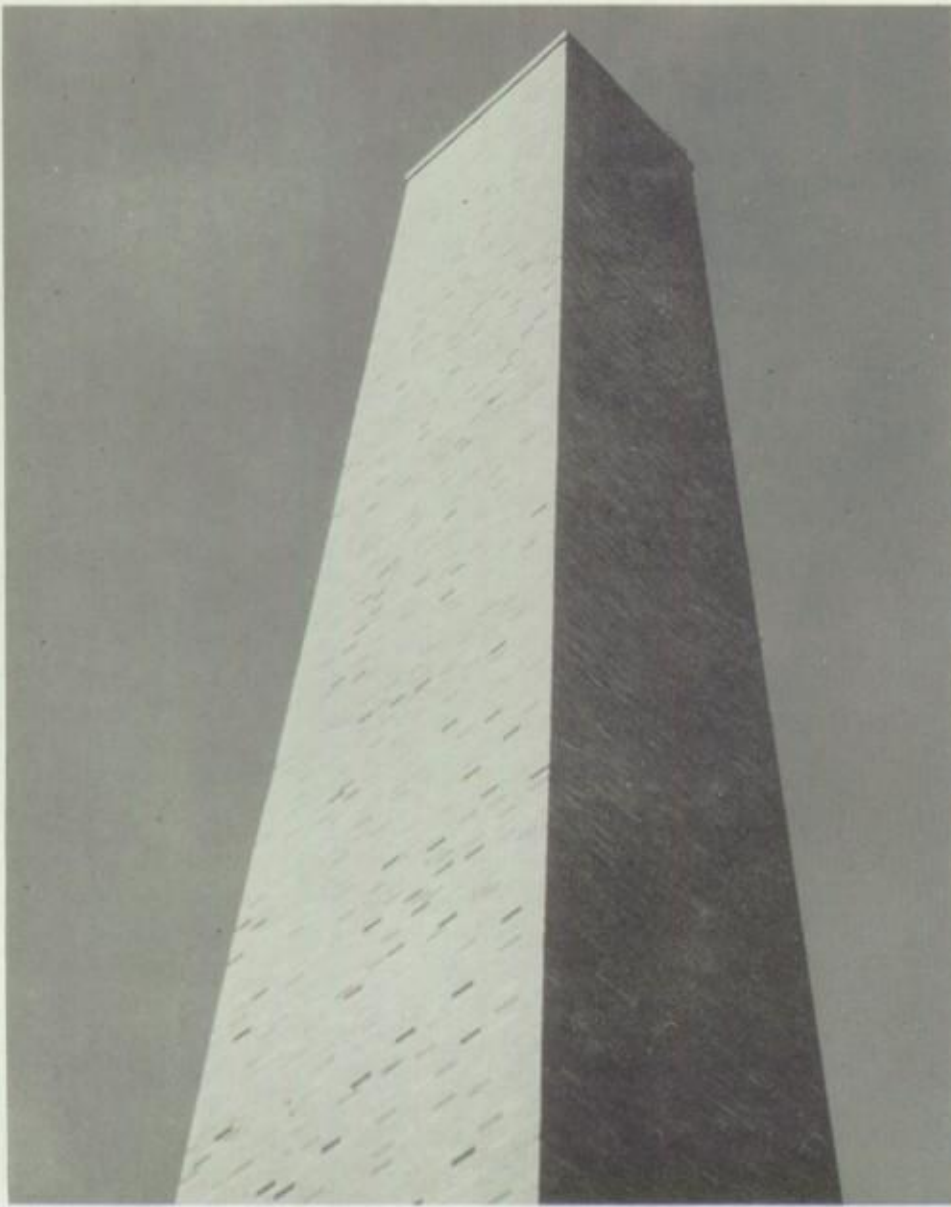

OUR GARDEN IS AS BEAUTIFUL AS OUR STUDENT LOUNGE IS RESTFUL. HERE OUR TOURISTS, THOUGH EAGER TO CONTINUE, STOP TO REST BEFORE RESUMING THEIR LONG JOURNEY.

HERE OUR TOURISTS SEE STUDENTS "EATING UP" THE BOOKS IN THE CAFETERIA. OUTSIDE ON THE TERRACE SCHOLARS REST AND DISCUSS SCHOOL LIFE.

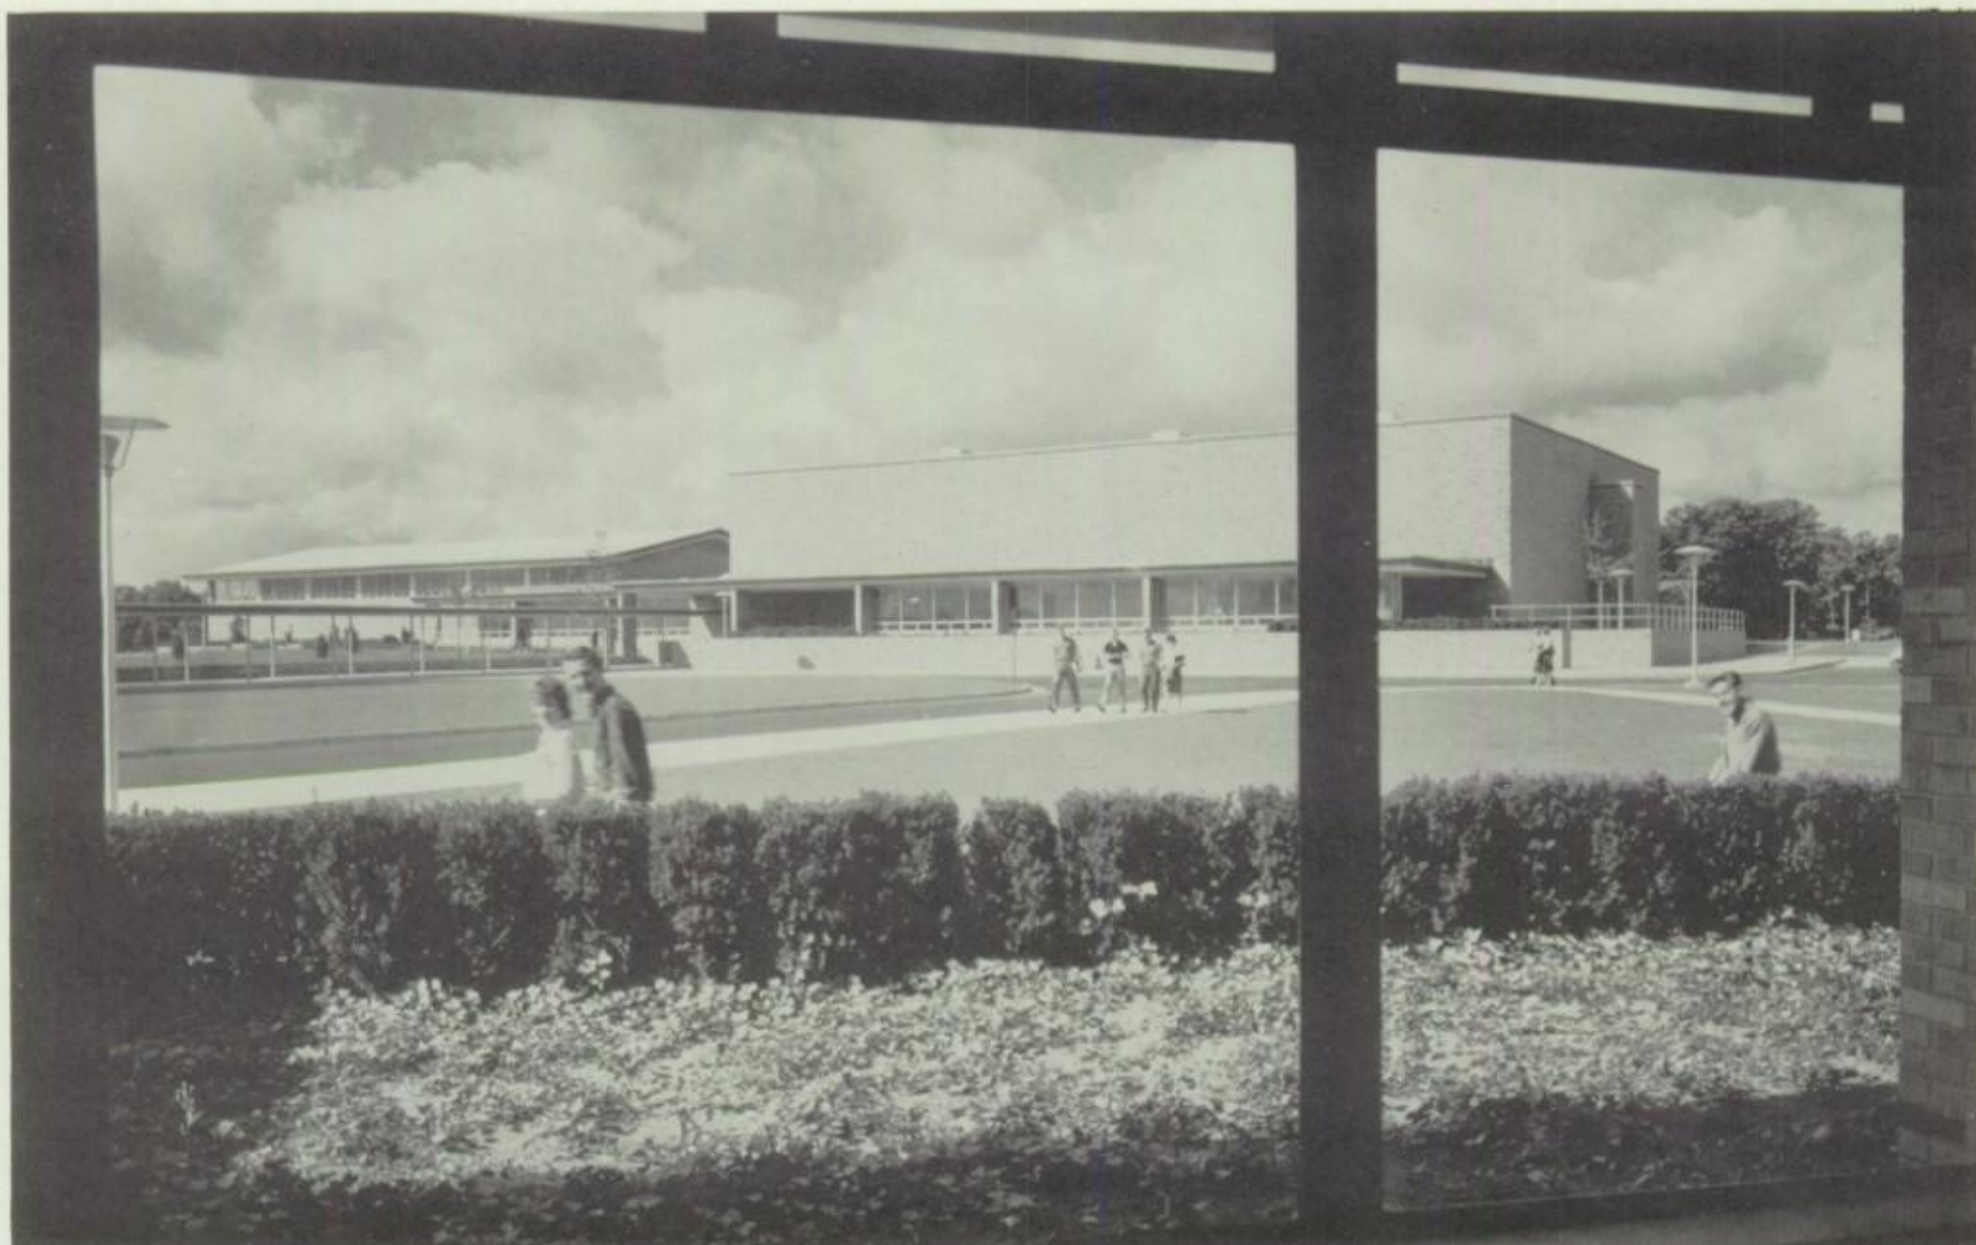

THIS IS AN UNUSUAL VIEW OF THE CHIMNEY. FEW WOULD REALIZE THAT THE PICTURE ABOVE IS JUST ANOTHER SIDE OF THE FAMILIAR BUILDING BELOW — THE AUDITORIUM.

OUR AUDITORIUM, ABLE TO SEAT 1190, COMBINES STRUCTURAL BEAUTY WITH GOOD ACOUSTICS. THE BAND DOESN'T PRACTICE IN THE AUDITORIUM; IT HAS A ROOM OF ITS OWN.

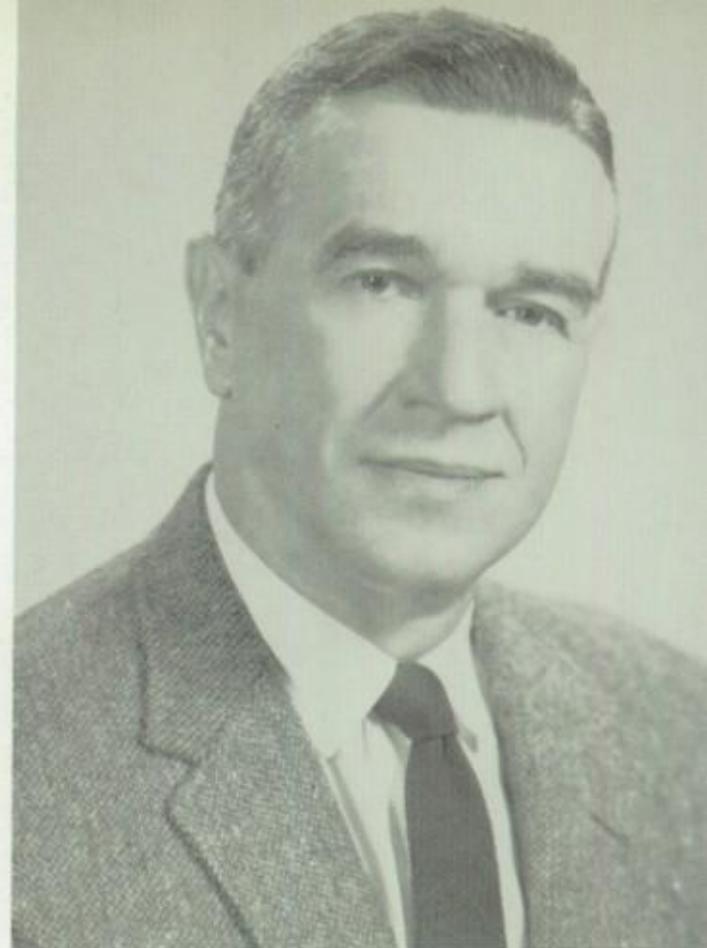

IT'S TIME DICK AND MEREDITH FINISHED THEIR TOUR; IT LOOKS RATHER CLOUDY. LOOK NOW, OUR TOURISTS ARE FOLLOWING THE SUN . . . SO-LONG, KIDS, AND THANK YOU.

IN MEMORIAM

FORD C. STEVENSON

1899 - 1960

Thirty-four Years of Service
to the
Youth of Butler

The students of Butler Senior High School think of Mr. Stevenson, their solid geometry and trigonometry teacher, with fond memories. During his thirty-nine years of teaching, he not only instructed us in the accuracy of mathematics, but also served as a living example of his creed, to live each day to the best of his ability.

In addition to his teaching profession, Mr. Stevenson was a charter member and Area Governor of the Toastmaster's Club, served two years as principal at Parkers Landing, and was on the Franklin Township School Board for eight years. He also served as an elder in St. Andrews United Presbyterian Church and was president of the Men's Forum Bible Class.

Around the house, Mr. Stevenson could usually be found reading on his porch, working in his garden, or deeply engrossed in a game of chess. His three sons and one daughter are all graduates of Butler High School. Mr. Stevenson will always be respectfully remembered by the students who studied under his guidance.

*Forenoon and afternoon and night,
And the day is gone.
So short a span of time there is
Twixt dawn and evensong.
Youth — middle age — old age,
And life is past.
So live each day that God will say
"Well done at last."*

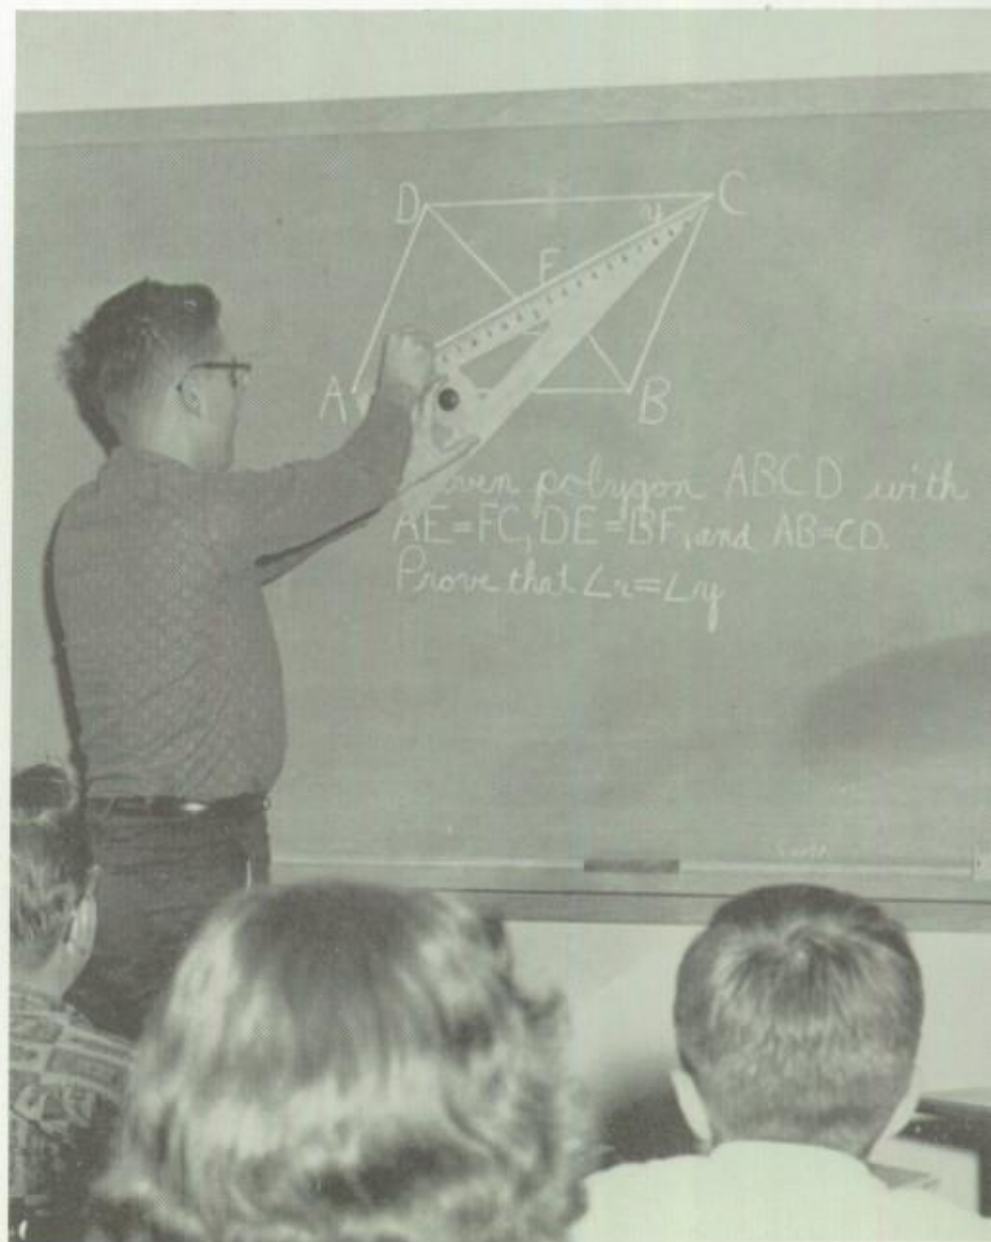

"Now you see, Karen, it's like this . . ." Dave Deeb certainly seems to know what he's talking about and Karen McCall is equal in her interest.

MATHEMATICS . . .

Don Fraley's evaluation of the problem in accelerated math class seems to have stumped even Mr. Gibson.

Prove that two angles are equal. It looks easy, but it takes more than a ruler and a compass to prove an answer in plane geometry.

The students at the blackboard are doing their best to explain the more complicated facets of Algebra II to their classmates.

IN MEMORIAM

*Music, when soft voices die,
Vibrates in the memory —
Odours, when sweet violets sicken,
Live within the sense they quicken,*

*Rose leaves, when the rose is dead,
Are heap'd for the beloved's bed;
And so thy thoughts, when thou art gone,
Love itself shall slumber on.*

Percy Bysshe Shelley

VARSITY FOOTBALL

Suspense, excitement, color, and achievement were the by-words of 1960 for the Butler Golden Tornado. Under the able leadership of Coach A. Gerald Capezzuti, the Tornadomen rolled to an impressive 7-2 season.

McDowell, Butler's opponent in the opening game, was downed by hard running, as Frank Lankewicz, Ralph D'Antonio, and Tom Hart each scored a touchdown, and great kicking by Harry Klann. Klann kicked a field goal, first in many years for the Tornado, and one extra point. Butler won 22-0.

Excitement was much in evidence in the second game. "Champ" Bowser, Lankewicz, and D'Antonio scored touchdowns and Klann came up with a field goal. Klann also added three extra points. Butler won 24-13.

When Butler played Farrell in the third game of the season, suspense was the order of the day. Lankewicz scored a touchdown from two yards out in the opening period and the rest of the game was a defensive battle. Butler won 6-0.

A field goal — third of the season for Butler — by Klann was the margin of victory in a hard fought contest with Har-Brack. Both of Butler's touchdowns were scored in the first quarter by Bowser and Vince Sommariva. Klann booted one extra point. Butler won 16-13.

In the fifth game of the season Butler ran into the Tigers at Beaver Falls. Beaver Falls went on to take the W. P. I. A. L. class AA Championship. Tom Hart had the only score for Butler that night. Beaver Falls won 26-6.

Again, suspense, excitement, and color were much in evidence as Butler played Sharon. Jerry Tarcha, Butler's guard, made the "play of the game" when he recovered a Sharon fumble and ran it for a touchdown. Hart kicked the extra point. Butler won 7-6.

Butler overpowered Aliquippa in the seventh game although the score didn't show it. Lankewicz scored one touchdown while a pass from Sam Trinch to Jim Black accounted for the other. In this game though the Tornadomen gained 219 yards and 13 first downs. Butler won 12-0.

Butler suffered its only road defeat at the hands of the Bridgers at Ambridge. Butler's only touchdown came in the third quarter when Ron Betres recovered a fumble on the enemy 37 yard line. Four plays later Lankewicz scored Butler's only touchdown and D'Antonio added the extra point. Ambridge won 28-7.

Playing New Castle at home for the first time since 1926, brought the rebounding Tornado to life. Lankewicz and Bowser combined to make it rough for the Red Hurricane. Both scored two touchdowns while D'Antonio added two extra points. Butler won 26-6.

Seventeen seniors contributed to Butler's fine record of 7-2. They were Bowser, Tarcha, Stanko, Frole, Trinch, Daniels, Betres, Black, Quigley, Novak, Lankewicz, Hart, Erdos, D'Antonio, Kamerer, Deeb, Weigle, and Brown. In a vote by the team Frank Lankewicz was voted "Most Valuable Player."

SWIMMING

This season, in the new Tornado pool, Butler Tankers, under the leadership of Coach Hart, compiled a record of nine wins and five losses for a .650 average. Most consistent winners for the Butler squad was Harry Klann in the 50-yard free style and Kent McGlincy in 100-yard butterfly. This season the Tornado revenged all their losses except to the state champions, Mount Lebanon. This year Butler High School had the honor of being chosen as the site of the regional swimming meet which was held on March 4. Winners of this meet went on to the state finals at Bucknell University.

Will this race add points to a Butler victory? We hope so!

So that's how the world looks upside-down.

"Swimmers take your mark" . . . Bang! Many students, parents, and teachers witnessed this exciting moment during the year because of our new pool with its large seating capacity.

Kent Brown comes up for a lungful of air to sustain him in his drive to cop the 100 yard breaststroke.

Ted Janicki shows the other divers how not to dive.

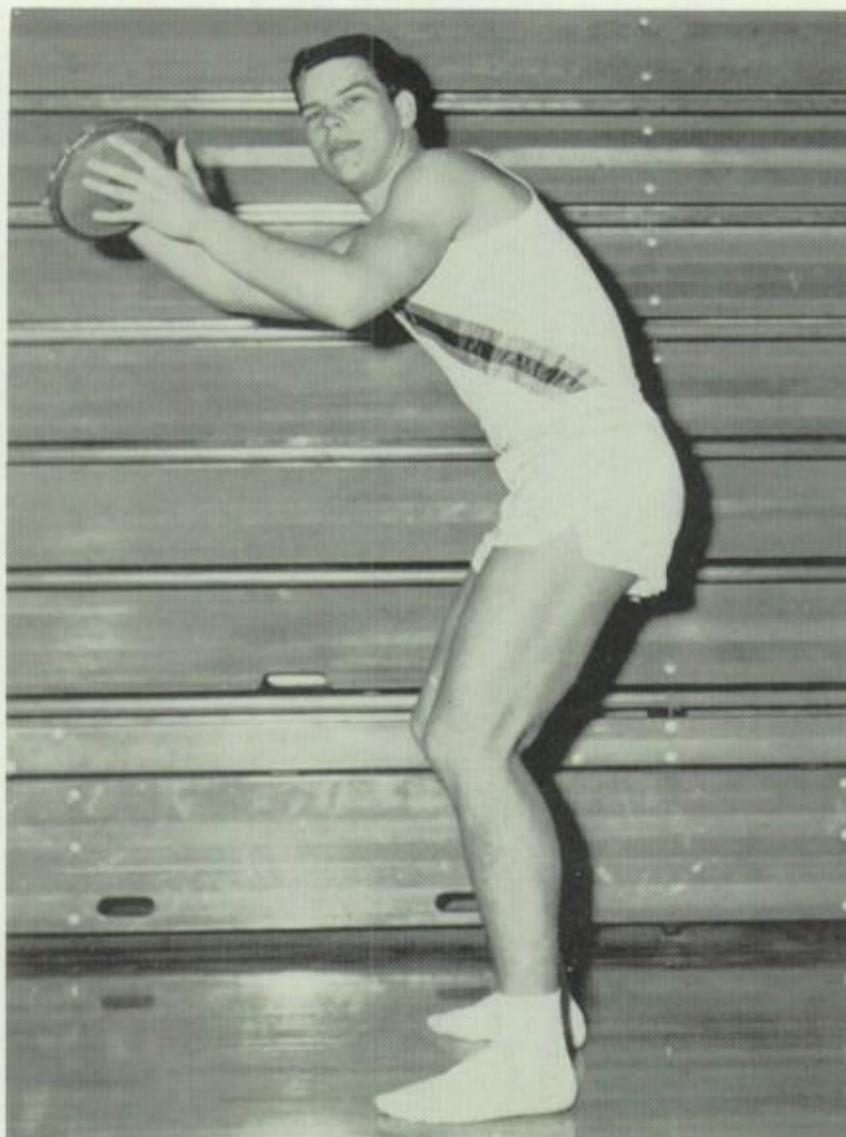

These fine athletes are practicing for the coming track season.

TRACK

Dave Snyder gets in some practice on the hurdles.

Frank's got his sight set on just the spot he wants the discus to land, just far enough to get him a first place.

Champ Bowser shows the form that will bring the Tornado track team many points.

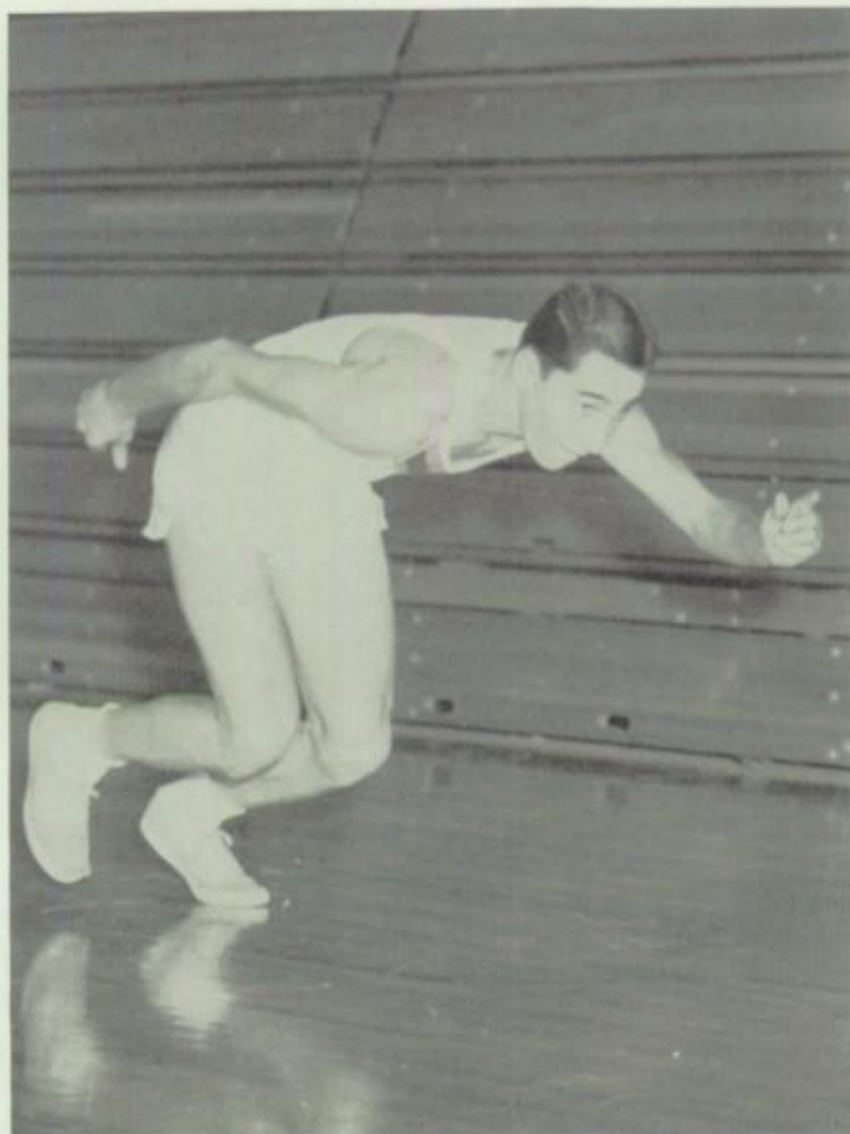

Bill Erdos will have the right starting position when Ralph D'Antonio gets finished, we hope!

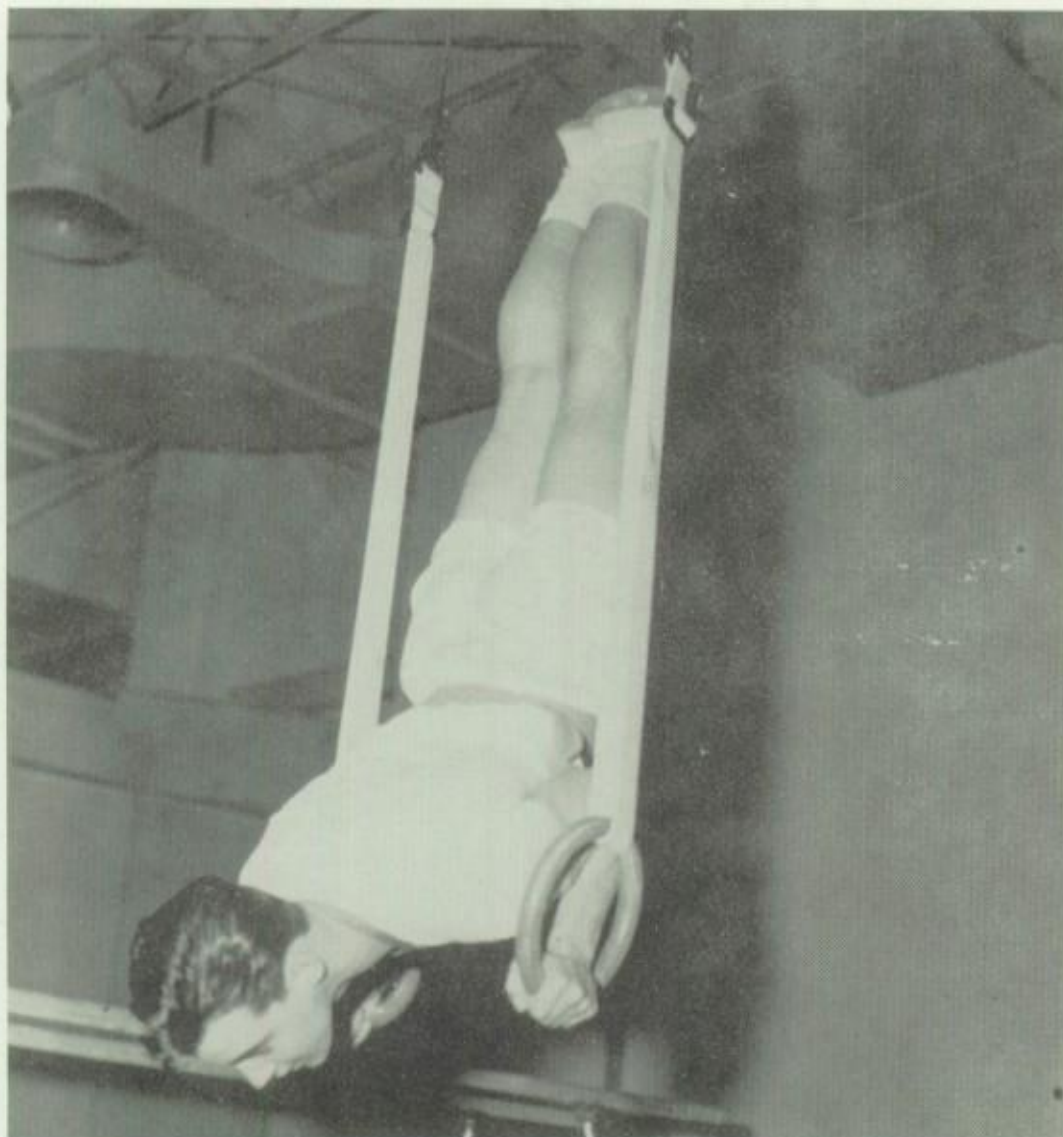

Pete easily clears the bar and appears in good shape for the coming track meet.

Don Hinchberger is demonstrating the correct form that is so essential to win a race.

We hope Frank Lankewicz doesn't throw that shot put; we'd hate all those holes in the gym floor!

Bill Erdos displays his form on the rings as he gracefully does a shoulder stand during a Gym Meet.

NEW VARSITY

Mike Ray a member of the newly formed varsity rifle team lines his sights up on the microscopic target 50 ft. away.

Now Dave, it's not fair to hit a defenseless ball even if you must practice for the golf team.

SPORTS . . .

Butler High is sure to have a good tennis season when our players have this form.

Bill Ritts and Ricky Josephs jump for possession of the ball as fellow team members look on.

Intramural swimmers hope the water isn't too cold.

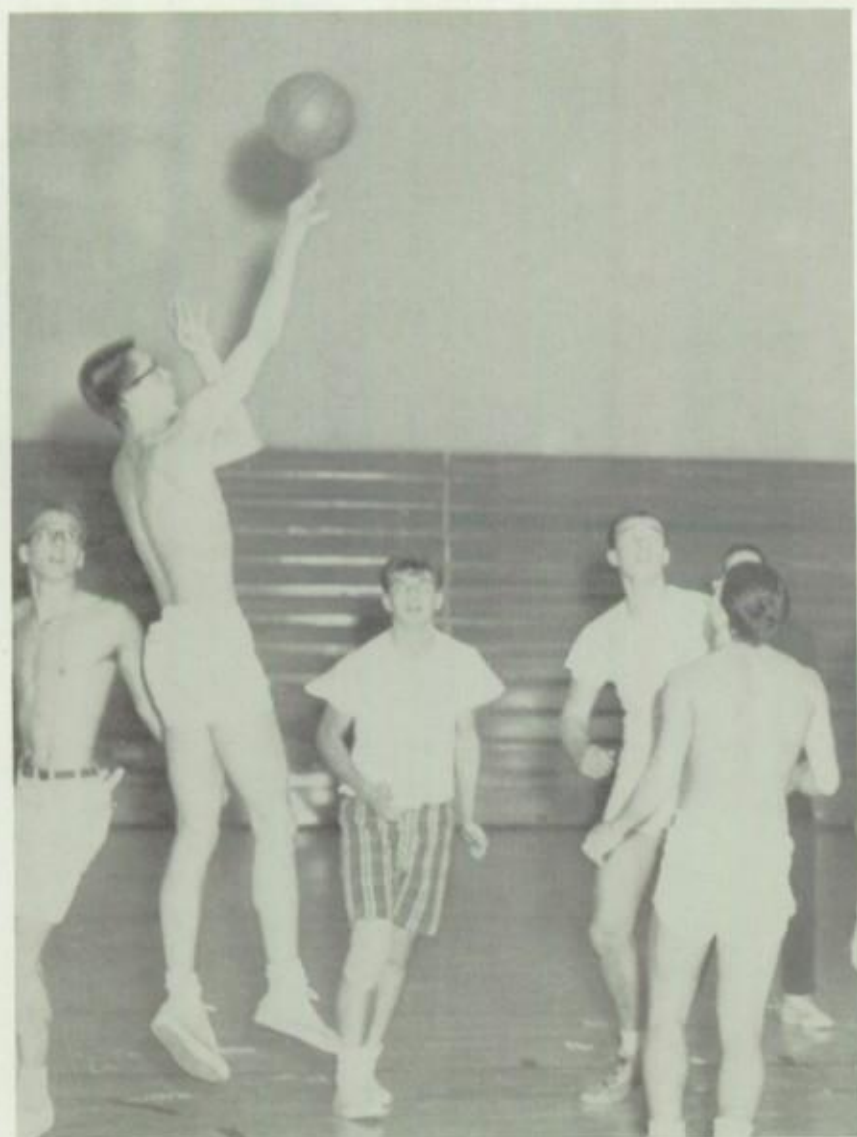

INTRAMURAL

Gary Neyman, our own William Tell, demonstrates the proper stance.

SPORTS...

Bill Ritts demonstrates his jump-shot form during an intramural basketball game. Looking on are fellow "Cannonballs" Chuck Deeb and Jim Lockhart. Trying to block the shot are "Knickerbockers" Dick Bandura and Rudy Ochaba.

Two 100's are scored, I'm sure, during varsity rifle practice.

Ruth shot an arrow into the air, while Sandy prayed in deep despair.

Glenda displays graceful form while doing a front walk-over.

"Ice Palace" was the theme of this year's GAA dance.

"Come on, Dave, buy a pencil or a sweatshirt to support GAA," say Betty and Beth.

Sis and Judy don't think that this game of badminton is for the birds.

CONCERT

An ensemble from Concert Choir sang during the dedication of our new high school.

The sixty voice Concert Choir could be heard rehearsing every day during sixth period under the direction of Dr. Richard Dryden. In addition to performing for school assemblies and an annual spring concert, the group has participated in the Christmas program at Thiel College, visited Clarion State College, and provided programs for various local organizations. A special ensemble provided music for the school dedication in September. Numbers performed by the Concert Choir include the triumphant "Wake, Awake," "Carol of the Drum," and the traditional "Beautiful Savior."

The officers of the Concert Choir include student director, Jerry Acheson, assistant student director, Jim Ollinger, and secretary, Becky Brown. Section leaders, chosen by the group, must check off music to the director, and then in turn, the members of the section check off to the section leaders. No music may be sung in public until every member has learned it to the satisfaction of the director.

Fitting robes for Concert Choir members is quite a chore, but it must be done every year.

All members of Noah's family look angrily at the stranger who blames Noah for the drought.

SENIOR PLAY . . .

"Noah, where is everybody? Where are all our friends?" inquires Mama.

In this comedy-fantasy, the story of Noah's famous ordeal is told in the manner of a fairy tale. Noah's voyage begins auspiciously enough with Noah, his wife, his three sons and three of the neighbors' girls embarking with the animals on God's ark in the hope of a brave new world. When the rain is over they dance around the deck in the dawn of a golden age! Ham, the canker of the old world is the sore spot! He doubts. He taunts his shipmates with old misgivings. He belabors his father with skeptical questions. *Noah* becomes the story of a kindly, simple old man who grows lonely in his faith, who pilots his craft safely to shore in the midst of doubts.
